

# More time spent with WileyPLUS results in better student outcomes.

In a study\* of **14 instructors** from various institutions, we tracked the engagement and learning outcomes of **880 students** who completed their WileyPLUS course. The results will make you believe in the benefits of digital learning (if you're not already convinced, that is).

 Students who had a higher WileyPLUS score earned a higher course grade.

## In fact, those who scored...

WileyPLUS with **ORION Adaptive Practice** helps students build their proficiency on topics while using their study time most effectively.

## The upside of using ORION...

Students who engaged in **100% of the ORION chapters** earned **one grade higher** than those who didn't attempt a single chapter.

Those learners who only spent **2 hours or less with ORION** earned **a grade lower than a C**, on average.

## The downer...

Students who used **WileyPLUS and ORION together** earned **3/4 of a grade higher** than students who only engaged with WileyPLUS.
